Director Message

Dear Students & Center,

I welcome you on behalf of Nav Uday Eduversity and thank you for your interest in us.

Over the years we have been educating young men and women who have entered its community and achieved their transformation into responsible citizens and leaders of corporates. By joining Nava Uday Eduversity you are initiating an education system that is academically, socially and personally transformative.

"Excellence and Values" are our guiding principles which are reflected in each and every activity of the Institute. And that is why I have established Nav Uday Eduversity, so that I can make a small contribution in the progress of India. All our institutes/study centers are committed to provide quality education to the students and we are constantly striving to provide high quality education.

Owing to providing quality education and home environment, we are the preferred choice for aspiring students across India.

will emerge as an option. We understand the importance of student participation in the activities of our Institute/Study Center for maximum academic achievement. At Nav Uday Eduversity, our mission is to provide a safe study environment in which each student will acquire the skills and knowledge necessary to become an efficient, productive member of an ever-changing, global community.

We believe in transparency and ethics.

I would appreciate you for sharing your valuable suggestions, feedback, complaints/complaints (if any), queries etc and assure you to be very prosperous, meaningful and useful with us. I wish you all success and a wonderful experience at Nav Uday Eduversity.
