NAV UDAY EDUVERSITY
PORSPECTUS
2022

Who
We Are

Nav Uday Eduvarsity is an independent institution whose mission is to improve the practice of continuous learning, collaboration and change in the field of education.

Nav Uday Eduvarsity conducts computer education, technical education and vocational education which improves knowledge sharing in education. We have been contributing in the field of computer education, technical education and vocational education since 2017, in the name of Kalyan Computer Institute, in which we have provided computer education, technical education and vocational education to more than 1100 students. And by being involved in the projects run by the government, more than 700 students have been provided free education.

Now we want to provide quality education to the students by establishing new institutes/study centers across India.

Nav Uday Eduversity is working for rural skill development like computer education, technical and vocational skill development. Our certificate is valid all over India. We will provide well designed courses, quite graded, helpful to students with a wide range of abilities and experience. Courses that are up-to-date and prepare students with relevant knowledge and skills for leading industrial jobs.

Message From
The Director

Dear Students & Center,
I welcome you on behalf of Nav Uday Eduversity and thank you for your interest in us.

Over the years we have been educating young men and women who have entered its community and achieved their transformation into responsible citizens and leaders of corporates. By joining Nava Uday Eduversity you are initiating an education system that is academically, socially and personally transformative.

"Excellence and Values" are our guiding principles which are reflected in each and every activity of the Institute. And that is why I have established Nav Uday Eduversity, so that I can make a small contribution in the progress of India. All our institutes/study centers are committed to provide quality education to the students and we are constantly striving to provide high quality education.

Owing to providing quality education and home environment, we are the preferred choice for aspiring students across India.

will emerge as an option. We understand the importance of student participation in the activities of our Institute/Study Center for maximum academic achievement. At Nav Uday Eduversity, our mission is to provide a safe study environment in which each student will acquire the skills and knowledge necessary to become an efficient, productive member of an ever-changing, global community.

We believe in transparency and ethics.

I would appreciate you for sharing your valuable suggestions, feedback, complaints/complaints (if any), queries etc and assure you to be very prosperous, meaningful and useful with us. I wish you all success and a wonderful experience at Nav Uday Eduversity.

Anand Singh Aithani
Director, Nav Uday Eduversity
